

RADIANT ENERGY WELLNESS
(A Private Membership Association)

MEMBERSHIP CONTRACT

I, _____, (Print Full Legal Name) apply for membership in Radiant Energy Wellness, a private membership organization. With the signing of this membership agreement, I/we accept the offer made to become a member of Radiant Energy Wellness and have read and agree with the following Declaration of Purpose from Article I of Radiant Energy Wellness's Articles of Association.

ARTICLE I, DECLARATION OF PURPOSE

1. This Association of members hereby declares that our main objective is to maintain and improve the civil rights, constitutional guarantees, and political freedom of every member and citizen of the United States of America. We believe and affirm that the Constitution of the United States is one of the best documents ever devised by man, and the signers of the Declaration of Independence did so out of love for their country.

2. We believe that the First Amendment of the Constitution of the United States of America guarantees our members the rights of free speech, petition, assembly, right to contract, and the right to gather together for the lawful purpose of advising and helping one another in asserting our rights under the federal and state constitutions and statutes. We strive to maintain and improve the civil rights, constitutional guarantees, freedom of choice in health care and political freedom of every member of this Association.

IT IS HEREBY Declared that we are exercising our right of "freedom of association" as guaranteed by the First and Fourteenth Amendments of the U.S. Constitution and equivalent provisions of the various state constitutions. This means that our Association activities are restricted to the private domain only.

3. We declare the basic right of all of our members to select spokesmen from our number who could be expected to give wisest counsel and advice concerning the need for physical and mental health care assistance and to select from our number those members who are the most skilled to assist and facilitate the actual performance and delivery of care.

4. We proclaim the freedom to choose and perform for ourselves the types of therapies and modalities that we think best for assessing and preventing illness of our minds and bodies and for achieving and maintaining optimum wellness. We proclaim and reserve the right to include health options that include, but are not limited to, cutting edge modalities and therapies practiced or used by any types of healers or therapists or practitioners the world over, whether traditional or nontraditional, conventional or unconventional.

5. Specifically, the mission of the Association is to create a peaceful, welcoming space for members to relax, destress and recharge, utilizing advanced therapeutic technology. The Association will educate members in natural health, so they can learn to tune into the needs

of their body and feel empowered by their health and lifestyle choices. The Association prioritizes the well-being of its members and provides a comprehensive range of integrative, complementary, alternative, non-traditional and advanced therapeutic technologies to address all aspects of a members, health and health condition at affordable fees.

6. The Association will recognize any person (irrespective of race, color, or religion) who is in agreement with these principles and policies as a member, and will provide a medium through which its individual members may associate for actuating and bringing to fruition the principles and purposes heretofore declared.

MEMORANDUM OF UNDERSTANDING

I understand that the fellow members of the Association that provide products and services, do so in the capacity of a fellow member and not in the capacity as a licensed wholesaler, retailer or provider. I further understand that within the association no wholesaler/retailer-customer relationship exists but only a contract member-member Association relationship. In addition, I have freely chosen to change my legal status as a public consumer/customer to a private member of the Association. I further understand that it is entirely my own responsibility to consider the recommendations and products offered to me by my fellow members and to educate myself as to the efficacy, risks, and desirability of same and the acceptance of the offered or recommended products and is my own carefully considered decision. Any request by me to a fellow member to assist me or provide me with the aforementioned recommendations or products is my own free decision in an exercise of my rights and made by me for my benefit, and I agree to hold the Trustee(s), staff and other worker members and the Association harmless from any unintentional liability for the results of such recommendations and products, except for harm that results from instances of a clear and present danger of substantive evil as determined by the Association, as stated and defined by the United States Supreme Court.

The Trustee(s) and members have chosen Jennifer Cappabianca as the person best qualified to perform services to members of the Association and entrust them to select other members to assist them in carrying out that service.

In addition, I understand that, since the Association is protected by the First and Fourteenth Amendments to the U.S. Constitution, it is outside the jurisdiction and authority of Federal and State Agencies and Authorities concerning any and all complaints or grievances against the Association, any Trustee(s), members or other staff persons. All rights of complaints or grievances will be settled by an Association Committee and will be waived by the member for the benefit of the Association and its members. Because the privacy and security of membership records maintained within the Association, which have been held to be inviolate by the U.S. Supreme Court, the undersigned member waives complaint process. Any customer/consumer records kept by the association will be strictly protected and **only** released upon written request of the member. I agree that violation of any waivers in this

membership contract will result in a no contest legal proceeding against me. In addition, the Association does not participate in any insurance plans.

I agree to join the Association, a private membership association under common law, whose members seek to help each other achieve better health and live longer with good quality products.

I understand that the providers who are fellow members of the Association are offering me products, services and benefits that do not necessarily conform to conventional products on the market.

As a member, I accept the goals of helping my body function better and choosing food products that are very safe, realizing that no product testing is foolproof. Other aspects of informed consent will take place in my discussions with the providers and my fellow members of the Association.

My activities within the Association are a private matter that I refuse to share with State Medical Board(s), the FDA, FTC, State Milk Board(s), USDA, Agricultural Board(s) and any other governmental agency without my expressed specific permission. All records and documents remain as property of the Association, even if I receive a copy of them. I fully agree not to file a liability lawsuit against a fellow member of the Association, unless that member has exposed me to a clear and present danger of substantive evil. I acknowledge that the members of the Association do not carry liability insurance.

The Trustee(s) shall have the right to sanction a member upon unanimous vote of the Trustee(s), after a hearing of the facts where the member may be present after notification. The sanctions include removal from active membership or imposing any other special and necessary conditions upon any member who shall discredit or bring harm to the Association in any manner.

I enter into this agreement of my own free will or on behalf of my dependent without any pressure or promise of products. I affirm that I do not represent any State or Federal agency whose purpose is to regulate and approve products. I have read and understood this document, and my questions have been answered fully to my satisfaction. I understand that I can withdraw from this agreement and terminate my membership in this association at any time. These pages and Article I of the articles of association of the Association consist of the entire agreement for my membership in the Association and they supersede any previous agreement.

I understand that the membership fee entitles me to receive those benefits declared by the Trustee(s) to be “general benefits” free of further charge. I agree to pay as levied those benefits that I receive that are declared by the Trustee(s) to be “special assessments”, per Fee Schedule. I understand that donations to the Association can be made voluntarily.

I enclose the sum of \$5.00 USD as consideration for my lifetime membership contract, “lifetime” meaning the lifetime of the membership association, said term beginning with the date of the signing of this contract, and by these presents do hereby certify, attest and warrant that I have carefully read the above and foregoing Radiant Energy Wellness Contractual Application for Membership, and I fully understand and agree with same.
